Elden Ring Features Key:

One-of-a-Kind Fantasy Action RPG, being an action RPG that emphasizes role-playing
A VRMMORPG experience that is rich in uniqueness with a considerable amount of background information to give new life to the world of Elden Ring
Various types of skills and combat elements adapted from classic RPGs using distinctive exploration and user interfaces, such as the UI. Also, the game will be able to support a significant number of players, enabling a huge variety of content.
Highly immersive 3D graphics and animation. Game and content arrangement will be made to provide as close as possible to a real VRMMORPG experience.
Many possibilities to customize your character. Not only can you freely change your appearance, weapon, and armor, you can also form your own custom characters.
A rich variety of gameplay modes. Meeting your friends, hunting an animal and collecting loot are only the tip of the iceberg when it comes to exciting gameplay.
Game servers that are made to support and develop various online activities such as playing with your friends on a browser, playing an asynchronous game with an opponent, or simply chatting with your friends. However, it is possible to experience all game elements with no online connection.
MORPG elements that can provide various situations for you to think. New enemies and characters are always appearing. You can even choose which character to play as.
Absorbs the essence of the classic theme song "Elden Ring" by Ragnarok, and guarantees your unforgettable memories.

On September 25, we will be introducing a new quest for Gold Flames, a character who can be recruited in a special quest, and the introduction of Guild Boss characters, Saeko and Nomi.
